

**Working Groups Alpine Biodiversity Board,
Spatial Planning and Sustainable Development, Soil Protection, of the Alpine
Convention**

PRELIMINARY HYBRID THEMATIC WORKSHOP

"Biodiversity and Land Use Planning"

Roma, Via del Gesù 57

(Representative office of the Autonomous Province of Bolzano)

Online Zoom Platform

4th December 2023, 10:00 – 16:00

Agenda item	Timing
Login on Zoom platform* and work opening	10:00-10:15
<p>Welcome and introduction into the event</p> <p>Paolo Angelini, Italian Ministry of Environment and Energy Security and Chair of the ABB Working Group</p> <p>Daniel Meltzian German Federal Ministry of Housing, Urban Development and Construction and, and Chair of the Spatial planning and Sustainable development Working Group</p> <p>Christian Steiner Office of the Provincial Government of Lower Austria and Chair of the Soil Protection Working Group</p> <p>Alenka Smerkolj, Secretary General of the Alpine Convention</p>	10:15-10:45
<p>Soil fauna biodiversity assessment in an Alpine agricultural landscape</p> <p>Thomas Peham, Office of the Tyrolean Provincial Government (Austria)</p>	10:45 – 11:00
<p>Land take as a driver of soil degradation and loss of biodiversity/ecosystem services</p> <p>Marco Di Leginio, Italian Institute for Environmental Protection and Research, ISPRA (Italy)</p>	11:00 – 11:15
<p>Living soils</p> <p>Ludwig Pertl, Head of forest district and forestry advisor, Kaufering</p>	11:15-11:30

market, Federal Agency for Nature Conservation (Germany)	
COFFEE BREAK	11:30 -11:45
Mountain soils, climate change and sustainable development Michele Freppaz, Università di Torino-DISAFa, Alpine Soil Partnership, National Biodiversity Future Center (Italy)	11:45 -12:00
Growing importance of soil biodiversity on the Alpine and EU Level TBC	12:00-12:15
Effects of land-use change in mountain soil biodiversity Michael Steinwandter, Institute for Alpine Environment - Eurac Research, Bolzano, (Italy)	12:15-12:30
LUNCH BREAK	12:30-14:00
Spatial planning in the Alpine Space: the EPSON InterAlps project and Project Luisa Pedrazzini (INU Istituto Nazionale di Urbanistica and AC Working Group Spatial Planning and Sustainable Development (WG SPSD)	14:00-14:10 14:10-14:20
NATI00NS: Supporting the EU Mission "A Soil Deal for Europe" across national communities Eugenio Morello, Dipartimento di Architettura e Studi Urbani DASTU, Politecnico di Milano	
Peatlands of the Alps Angelika Abderhalden, Senior Manager Biodiversity Projects & Support, WWF Schweiz	14:20.14:35
Restoring ecological connectivity for Alpine biodiversity: a spatial planning matter Serena D'ambrogi Italian Institute for Environmental Protection and Research, ISPRA (Italy)	14:35.14:50
Importance of good biodiversity in soils for growing good quality food Maja Kolar, Eco- Garden project (Slovenia)	14:50-15:00

Closing of the workshop

15:00-15:30

Paolo Angelini, Chair of the Alpine Biodiversity Board
Daniel Meltzian, Chair of the Spatial planning and Sustainable development Working Group
Christian Steiner, Chair of the Soil Protection Working Group

Moderation

Paolo Angelini, Italian Ministry of Environment and Energy Security and Chair of the Alpine Biodiversity Board

Daniel Meltzian German Federal Ministry of Housing, Urban Development and Construction and, and Chair of the Spatial planning and Sustainable development Working Group

Christian Steiner, Office of the Provincial Government of Lower Austria and Chair of the Soil Protection Working Group
